Situation COVID-19 dans les pays nordiques

Danemark : les personnes pleinement vaccinées ou présentant un test négatif peuvent entrer au Danemark, où toutes les mesures restrictives Covid-19 ont été levées ! Plus d'informations sur: <https://www.visitdenmark.fr/danemark/travel-essentials/coronavirus>

Finlande : La Finlande accueille les voyageurs complètement vaccinées et les voyageurs arrivant depuis les pays à faible risque de Covid. Concernant les voyageurs non vaccinées, un résultat négatif de test est demandé ainsi qu'un deuxième test 72 h après arrivée.
Plus d'information sur : <https://www.visitfinland.com/fr/article/conseils-pratiques-pour-les-voyageurs-arrivant-en-finlande-pendant-la-pandemie-de-coronavirus/>

Islande: Les voyageurs pleinement vaccinés ou qui peuvent présenter un certificat d'infection antérieure peuvent entrer sans quarantaine. Ils doivent présenter un test de dépistage à la Covid négatif avant d'embarquer dans tout avion ou navire à destination de l'Islande. Ces tests doivent avoir été réalisés 72 heures avant d'entreprendre la première partie du voyage.

Situation COVID-19 dans les pays nordiques

Norvège : Les voyageurs en provenance de l'Union européenne (UE)/Espace économique européen (EEE) ainsi que de plusieurs autres pays tiers sont désormais autorisés à voyager en Norvège. Tous les enfants de moins de 18 ans en provenance de ces régions ne sont plus soumis à la quarantaine. La France est classée pays "orange", donc pays sans obligation de quarantaine et de test, pour les personnes qui ne possèdent pas de certificat COVID valide <https://www.visitnorway.fr/planifier-voyage-norvege/coronavirus-et-voyages-en-norvege/>

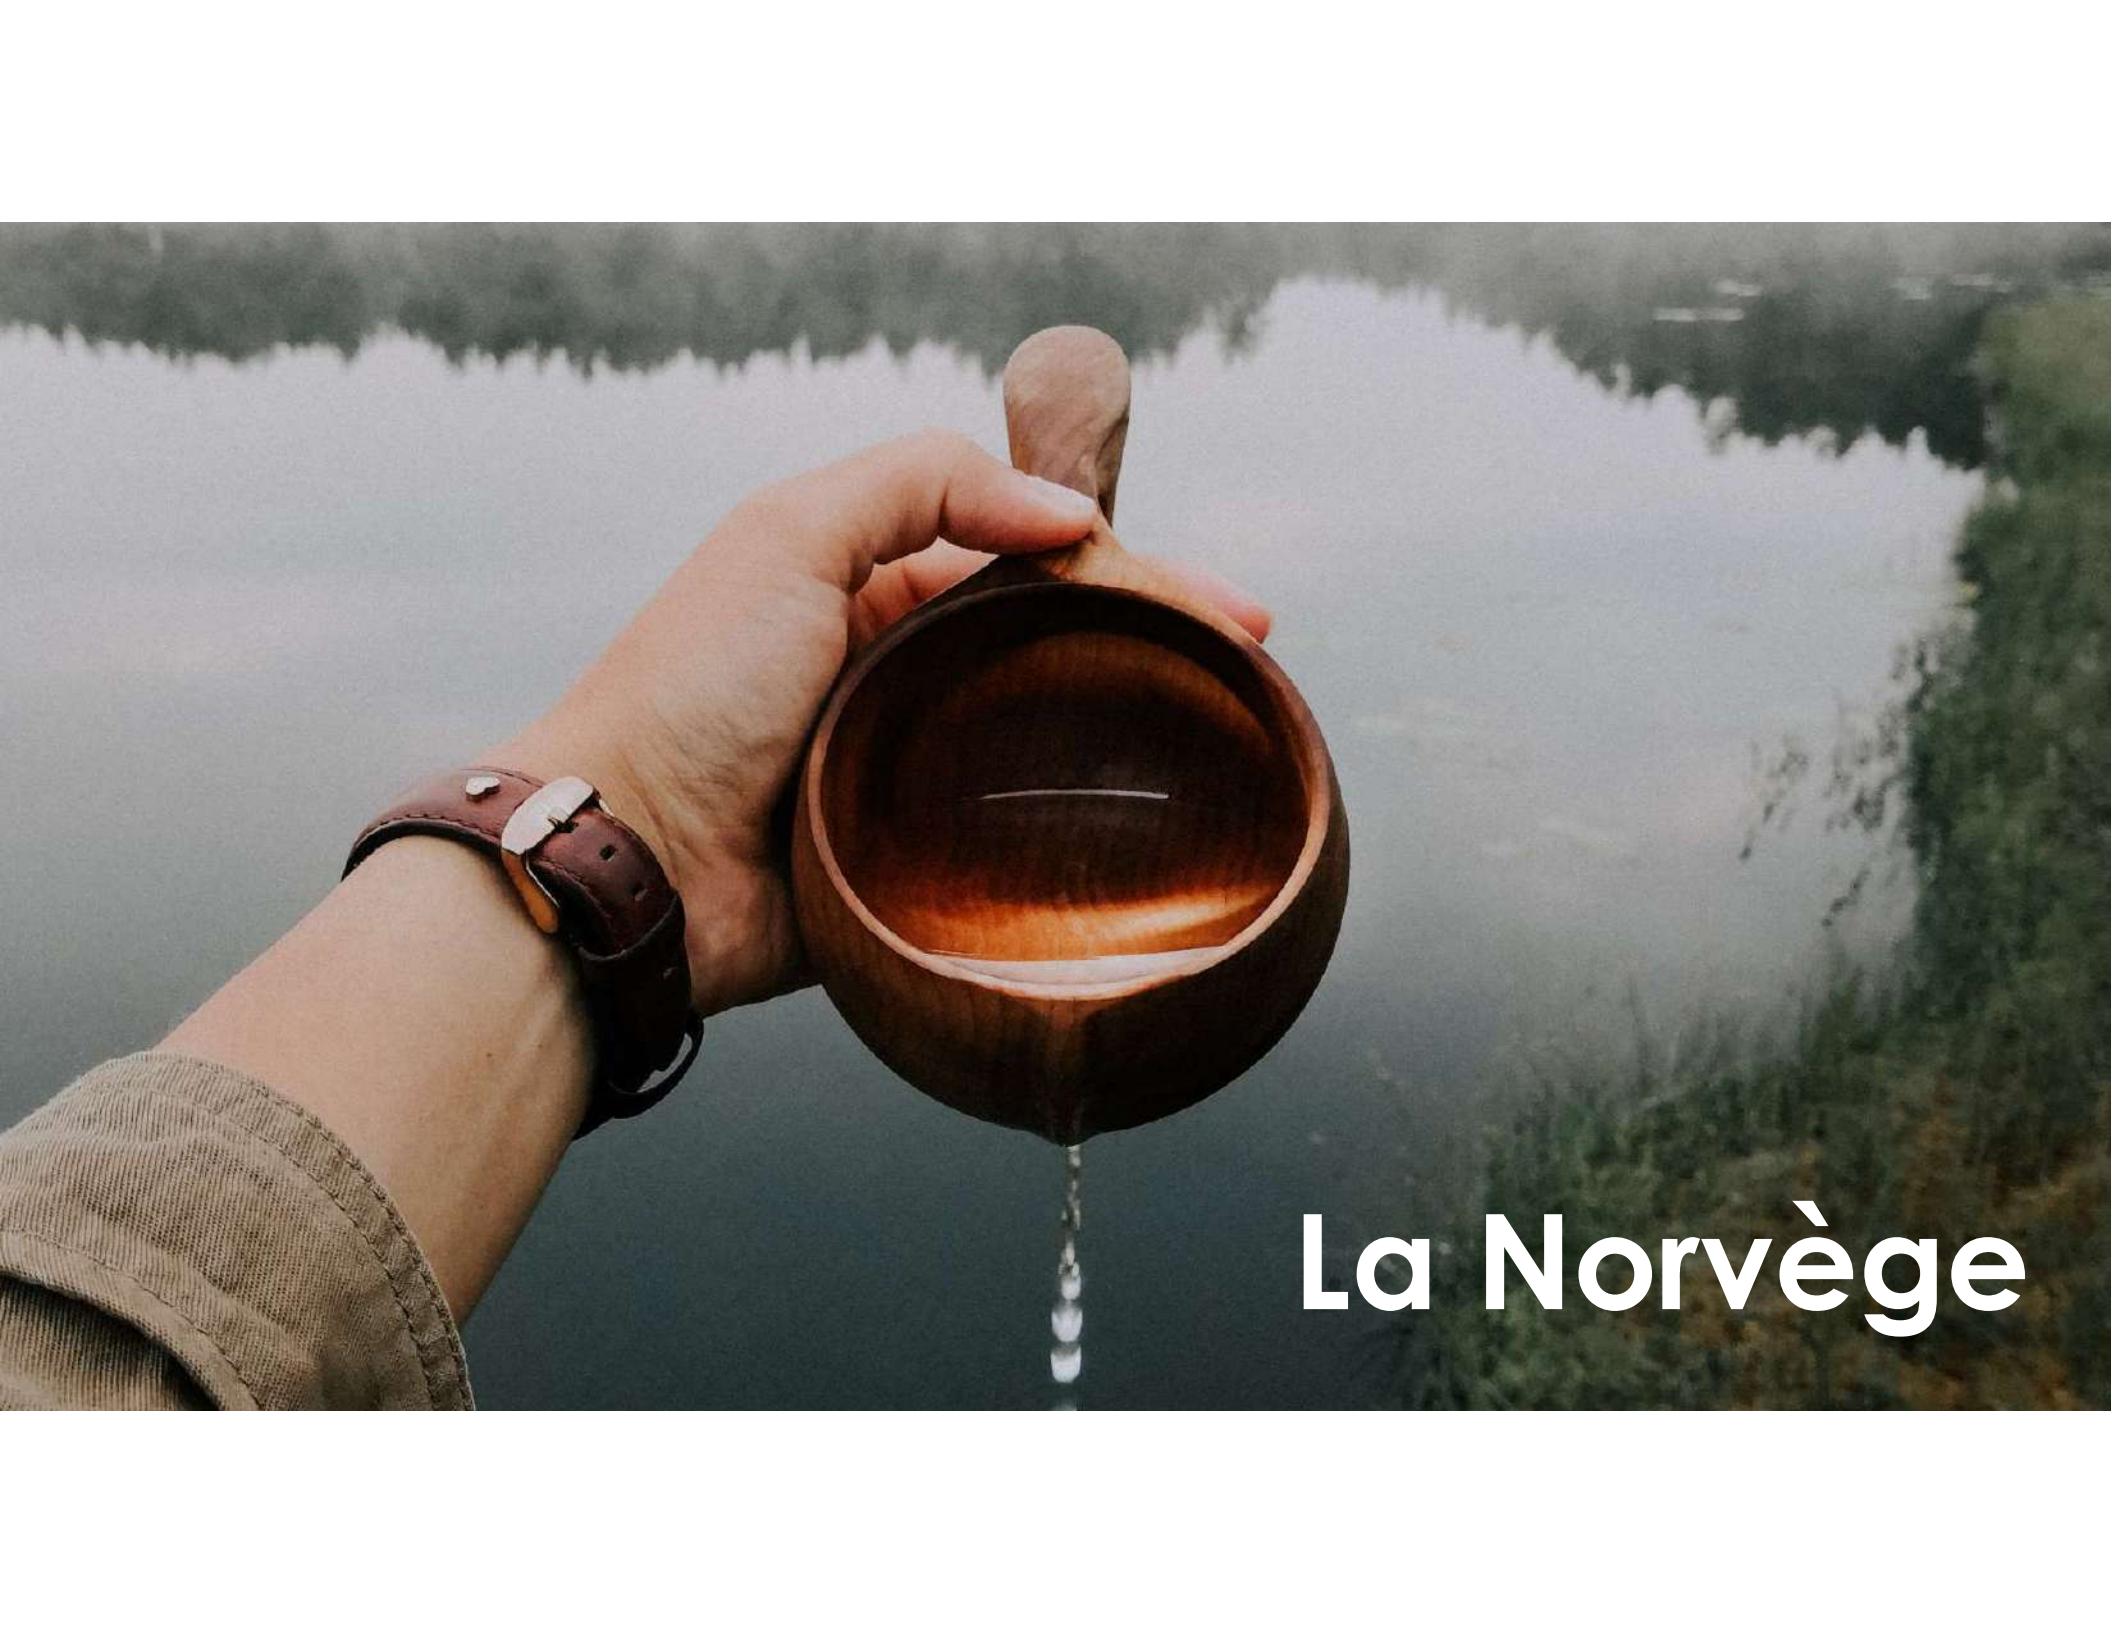

Suède : Depuis le 1er juillet, les ressortissants étrangers doivent présenter un certificat Covid UE pour pouvoir voyager vers la Suède. Le certificat atteste qu'une personne a reçu un résultat de test négatif, a été vaccinée contre la Covid-19 ou s'est rétablie de la Covid-19.

A close-up photograph of a person's arm and hand reaching from the left side of the frame. The person is holding a dark brown, traditional wooden mug with a small handle. A single drop of water is falling from the bottom of the mug. The person is wearing a brown leather wristband with a silver buckle. The background is a large, calm body of water, likely a fjord, with dark green forested hills visible along the shore under a hazy sky.

Ecotourism Norway

This national certification is awarded to businesses and operators that hold a high international level in ecotourism. Over 100 strict criteria on environmental performance, host-role, local community integration, and purchasing must be met and often improved. The certificate is renewed every three years.

The ecolabel Nordic Swan

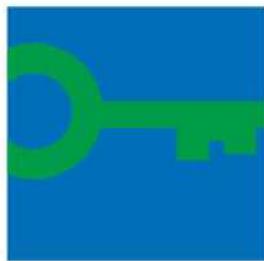

More than 5000 products in Norway are certified with Nordic Swan, which indicates that they satisfy strict demands within energy efficiency, materials, and chemicals, all the way from raw materials to end product and waste management.

Eco-Lighthouse®

Eco-Lighthouse

Eco-Lighthouse enterprises work towards satisfying requirements and implementing environmental measures on a systematic and ongoing basis in order to create more environmentally friendly operations and safer work environments. Enterprises are certified subject to independent assessment and must undergo a recertification process every three years.

Green Key

Global ecolabel, recognized by GSTC, for hotels, small accommodations, campsites, and attractions. Certified businesses must meet strict criteria for waste, energy, water, procurement, green areas, CSR, and staff involvement. High standards are maintained through annual certificate renewal, rigorous application process, documentation, and frequent audits.

ISO 14001

ISO 14001 is given to enterprises that have a high-quality environmental managing system for organizational performance.

Blue Flag

Global, prestigious award based on a series of stringent environmental, educational, safety-related and access related criteria to be met and maintained, aimed at beaches, marinas and sustainable boating tourism operators. More than 4100 sites in 46 countries are awarded with Blue Flag.

Get inspired and plan ahead

The travel industry is on hold, but we can still dream and plan ahead. On this page, we will post the latest news and other useful tools about Norway as a destination.

Dear business colleagues,

These are strange and uncertain times. As the whole world focuses on how to handle the COVID-19 situation, the travel industry is on hold more or less all over the world. In spite of this difficult situation, we are planning for a better future and are preparing for the time when the world can open up again.

This new situation has made it necessary to find new ways of cooperating with and supporting our business partners in Norway and abroad. On these pages you will find updated information on our planned activities for the coming days and months, including links to new videos and virtual guided tours at museums and attractions. In this way, we hope to give you further knowledge about Norway and the products we can offer. We will also do our best to ensure that all our business contacts can get as much help as possible to keep business going and to start up again after the crisis.

We are here to support you and we look forward to the day when we can welcome you and your customers to Norway again.

In the meantime, we hope that you stay safe and healthy.
